Lisa,

SITREP 3 is in draft form, but might be useful. Can you tell me if I'll be getting a press release this morning to use for the SITREP? We're shooting for getting out the SITREP around noon.

Can you send Lisa final versions of sitreps in word for use in statements and messaging? Thanks!

Per our conversation/meeting, we are sending SitRep #2 for your review...David reviewed yesterday's. If you could get any comments back to Laura Farris asap, we can post and share with all our partners (we had told them to expect it around 11am...we're just a little behind). ☺ Thank you!
